YEAR 32

*"Pride of the South!"*

## WHO WE ARE

Georgia All Stars continues to be a leader in All Star Cheer instruction. Established in 1990, we are proud to announce our 32nd Anniversary this year! We have instructed kids all over the country and continue to push the boundaries in the industry. We pride ourselves in being trend setters and family oriented with quality, competitive instruction. It is our mission that each cheerleader will develop socially through practice and competition, physically through hard work, and psychologically through increased emotional maturity, and discipline. This requires a perfect balance of academic preparation in school, time management, and skill preparation in the gym. We continue to provide a industry name with a small family feel. We pride ourselves on being a family environment and teaching our kids respect, humility, punctuality, good sportsmanship, dedication, commitment, and core values.

## COMMITMENT

Commitment starts with the parent and follows through to the athlete. It is a known privilege to be a Georgia All Star Cheerleader. The success of your team will depend on each individual/parent commitment and dedication to the team. This program is not about the individual. We will not tolerate "individual" attitudes. We feel that the member on the back row is just as important as the member on the front. The first tumbling pass is just as needed as the last. Flyers can't fly without bases. Flyers are no more important than back spots. It takes a TEAM to win. The team will always come first in making selections and decisionTeam Practices

## TEAM PRACTICE

Non-Travel athletes will have 2 team practices per week. This could be two weekdays OR one weekday and Sunday. Sunday Practices begin in August. Additional practices will be added at the coach's discretion during the heavy competition season. This is typically November through February. Typically there will be additional practices the week and weekend before a competition. You are allowed to miss 4 summer practices prior to August 7th in addition to the Calendar Holidays given. It is important to have each athlete at summer practices to allow the kids to bond, the coaches to formulate stunt groups, finalize the routines, and for the teams to progress in skill and prepare for the upcoming season. Vacation forms are located in the back of this packet and at the front desk. All vacations MUST

have the appropriate form and approval for it to be excused. Vacation forms turned in less than 2 weeks in advance will not be approved. Vacation requests after August 7th will NOT be approved. Vacation dates will not be approved if two weeks before a scheduled competition. Vacation requests via phone or text will not be approved. If you cannot attend a practice it must be personally pre-approved by your coach. If you will be late, out sick, etc; you must contact your coach. If you are sick, but not contagious, you will be required to come watch practice so you are aware of any changes made to the routine. The coach will decide your participation level at practice if an athlete is sick. If you are continually late, missing numerous practices, or injured longterm, you may be dismissed from the team. If you are absent during the week of a competition, you may be replaced with an alternate crossover athlete. Homework is not an excused absence. Studying for a test is not an excused absence. Concerts, Birthdays, Anniversaries, School Breaks, Field Trips, and Family trips are not excused absences. School trips that are not documented for a grade are not excused absences. Outside sports conflicts are not excused absences.

If you are receiving a grade on a school activity you must fill out the absentee form, located in the back of this packet. The coaches will do everything in their power to work around graded conflicts by moving practice, but it is not promised. Make-up practices may be called so that the team may practice as a whole. If you are on a varsity cheer team it is important that you bring a copy of your scheduled practices, events, and coach's information to your All Star Coach. They will attempt to work around

any conflicts the best they can. We can not guarantee that every conflict will be solved. We will not work around sideline cheer conflicts, middle/JV, basketball cheer, or other outside sports. Please take note of this policy before trying out for winter or spring sports. All Star cheer is a very timely commitment and should be your first priority.

## TEAM PLACEMENT

Athletes will be placed on a team at the discretion of the coaching staff based on their ability and what is needed on each team. It is very important to understand that technique and execution of a skill go into placing teams. It is very important to also understand stunting requirements for each level. It is not only important to "land" a skill, but to execute it while landing it repeatedly over and over. Athletes must also provide strong technical stunting skills at the required level as well. Coaches reserve the right to move a child to a different team during the season if the child's skills do not mirror that of his or her peers on the team. A child may be dismissed or placed in an alternate position if the skills are not where he or she can be used on a team in the gym. A child may be moved to a different team during the season depending on what is needed by that team (ie. base, fly, tumbler), or if their skills are not where they should be during the progression of the season. We may merge teams, change team levels, or delete a team during the season. We will exhaust every possibility before deleting a team. If you have a question about what level your child should be, please go to our skills chart for tumbling requirements. If you are unsure of what stunting level your child may be, please speak with a coach.
